

Thomas Gschwendtner & Danijela Jovic present:

The new Sales & Service Channel
of Mayr-Melnhof Karton

#1 world's largest producer of coated recycled fiber-based cartonboard

#2 with a significant position in virgin fiber-based cartonboard

#3 annual production capacity exceeding 1.7 million tons

#4 main sales focus lies on FMCG packaging

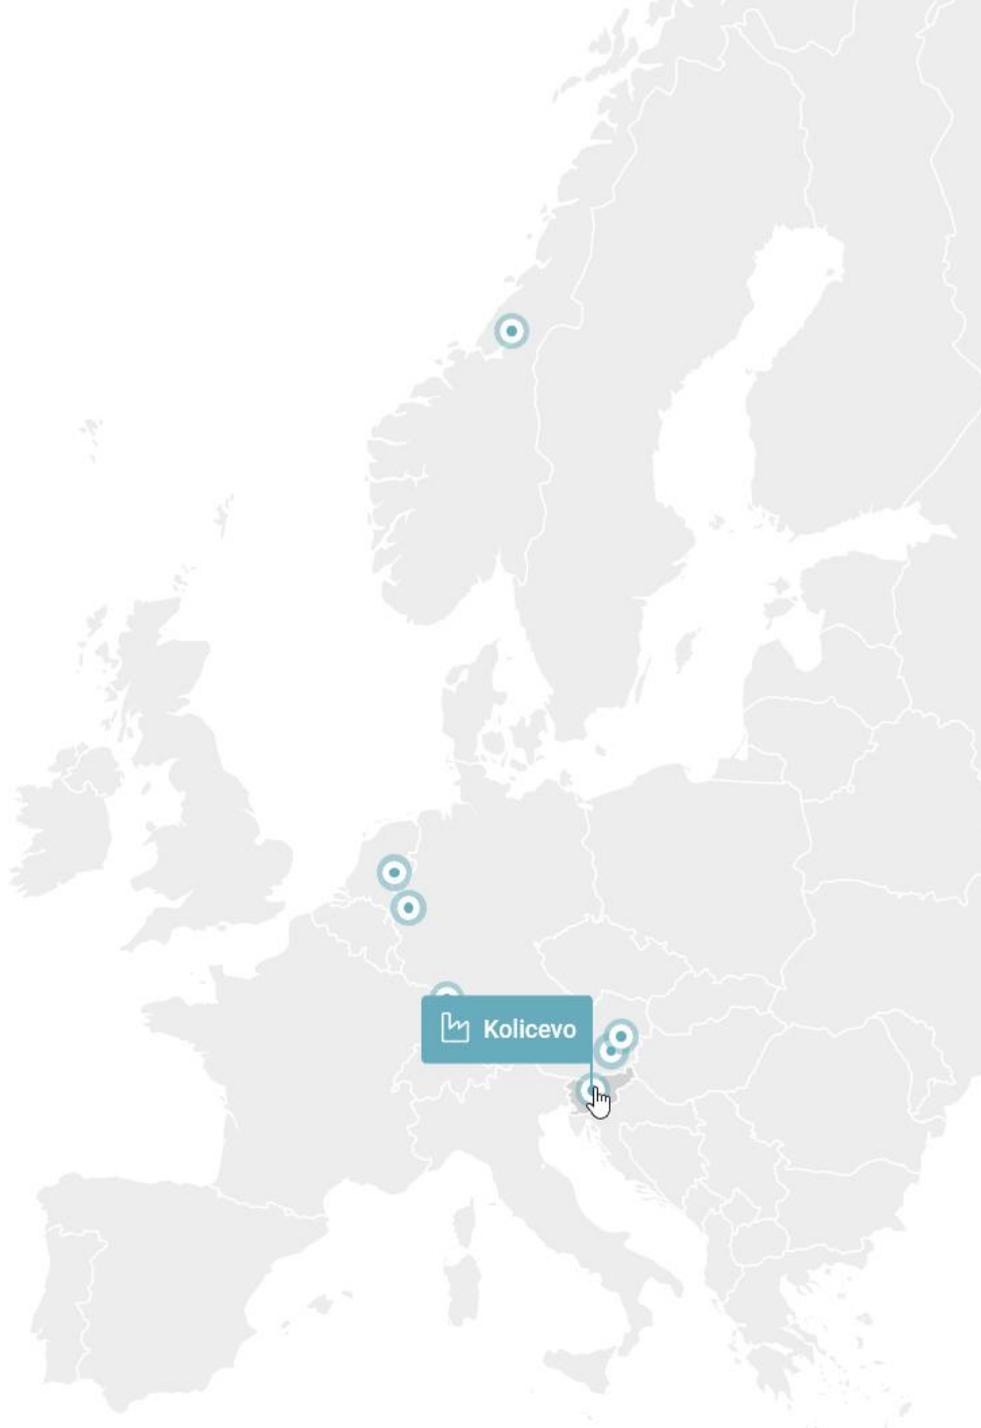

KOLIČEVO KARTON d.o.o.

has two board machines with an annual capacity of 270.000 tons.

BM3 is equipped with several adaptations to allow for swing mode operations, enabling it to quickly react to market demand in:

- ✓ recycled cartonboard,
- ✓ virgin fibre cartonboard &
- ✓ white top coated recycled liner.

The mill is continuously investing in state-of-the-art technology!

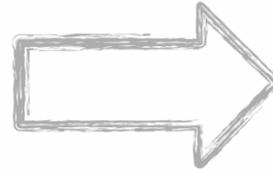

Industry 4.0

BM3 is equipped with the newest wet section in the group, now combined with the most modern QCS system available. Many more steps into Industry 4.0 will follow in the coming years.
