## ABOUT US

## OUR LEADERS

*Dzung Trinh is the founder and managing director of TNK Travel. He was born in Dalak province in the Central Highlands of Vietnam in 1976 and grew up in the Mekong Delta. He joined the tourism industry in 1994 as a local tour guide while he was taking a 4 year in-service training course specializing in English Linguistics in his hometown, My Tho and worked for the Tien Giang Youth Tourist Company in the position of assistant Manager since he was 20 years old. Thanks to this opportunity, he has learnt a lot from travelers, these jobs and his management board.*

*As a result, English and the travel industry have changed his life from a pumpkin to a completely mature guy. When he graduated from his course, he got a B.A in English and moved to Ho Chi Minh city in 1998. It was a great chance for him to join the Hanoi Tourism Branch where he worked in different positions, ranging from a tour leader to the manager of marketing and operations department. He enjoyed working with this company and got a chance to obtain another 4 years in the service-training course in business administration.*

*Traveling extensively through the Indochina peninsula and a lot of Asian countries as a tour leader over the years, he fell in love with these countries and would love to share his experience and passion to travelers who are eager to see these places. These experiences gave him the great confidence and strength to establish TNK Travel in 2001.*
