

INVITATION SUSODCO Final Conference

16 March 2022, from 10.00 – 13.00 CET

Dear Madam/Sir,
Dear Colleagues,

The SUSODCO project partners and the European Federation of Building and Woodworkers have the pleasure to invite you to the Final Conference in the framework of the SUSODCO project, which will take place in a (limited) **hybrid form in the EFBWW meeting room in Brussels on 16 March 2022.**

The [SUSODCO project](#), which was launched in March 2020, brings together the national social partners of the construction sector from Central (Slovenia, Hungary), South-East (Croatia, Bulgaria) and Southern Europe (Cyprus, Greece).

Its main objective is to enhance the communication skills and capacities of the participating partners for an improved and effective social dialogue through the exchange of good practices, awareness raising on key social dialogue issues and the organisation of seminars.

During the Final Conference, the project partners will present the results of the national project campaigns and possible future trends for Social Dialogue. The European partners will share their experiences of the Social dialogue at European level and the SUSODCO platform will be launched officially. We will also try to explore how to proceed in the future with the Social Dialogue. **Attached please find the draft agenda.**

Meeting modalities:

The Conference will take place in a (limited) hybrid form, i.e. **both online (unlimited number) and with physical presence (limited to maximum 10 persons and restricted to representatives of the project partners only)**. Project partners who plan to be physically present can indicate this in the registration form. Should the quota of 10 persons be exceeded, then the EFBWW and the project partners will make a selection. **Please wait for confirmation of your participation by the EFBWW before making any travel reservations.**
