Significance of Turkey

WIN EURASIA Automation 2017

Set to be organized between March 16th and 19th 2017, WIN EURASIA Automation is getting ready to bring together integrated solutions for new generation factories. Covering Otomasyon Eurasia, Electrotech Eurasia, Hydraulic&Pneumatic Eurasia and CeMAT Eurasia exhibitions; the event provides a compact overview of automation, electric-electronic, hydraulics-pneumatic and handling-internal logistics industries. The exhibitors will offer all solutions necessary for a factory and the event will prove once again that it is the leading innovation platform in the area for visitors who wish to access the right solutions for the factories of the future.

Why you should visit?

- Feel the convivial pleasant ambiance of industry 4.0, industry of the future.
- The entire production chain will be on site. You can see the robots in action during the fair.
- Discover new trends and most effective products.
- Stay up to-date via conferences and forums addressing hot topics for innovative business solutions.
- B2B meetings to help identify potential business partners, new suppliers and customers.

Why Turkey?

- Turkey is the world's 18th and Europe's 7th largest economy and is expected to be the world's 12th biggest economy by 2023. Turkey's overall export volume was \$144.7 billion in 2015.
- The Turkish Industrial Automation sector which has a volume of \$1 billion is expected to reach \$4 billion through true investments.
- In 2015, the export of Electric and Electronic sector was realized as \$7,6 billion and Turkey exported to countries such as England, Germany, France, Iraq, Turkmenistan, Azerbaijan, Italy, Holland, Saudi Arabia, Bulgaria, Russia, Spain, Israel, Egypt and Algeria.
- Turkey's Load Lifting Carrying and Stowing Machines export was realized as \$352 million in 2015 and Turkey exported countries such as Saudi Arabia, Germany, Belgium, Algeria, Iran, Iraq, England, Italy, Greece, USA, China, Bulgaria, Kazakhstan, Azerbaijan.
- The export of Turkish Hydraulic&Pneumatic sector was \$196,6 million in 2015 and Turkey is the largest supplier of India in Hydraulic&Pneumatic sector accounting for imports worth \$555,606.
- Within 4 hours of flying distance, Turkey has access to 1.5 billion customers in Europe, Eurasia, the Middle East and North Africa.

Success of WIN EURASIA Automation

Otomasyon

EURASIA

Electrotech

EURASIA

Hydraulic & Pneumatic

EURASIA

CeMAT EURASIA

Otomasyon

- Assembly & Handling Systems, Linear Positioning Systems
- Automation Services
- Communication, Networks, and Field Bus Systems
- Control Systems. PLC, SCADA
- Embedded Systems
- Industrial Building Automation Systems
- Industrial IT & Software

Electrotech

- Cables & Equipment for Electric Power Transmission
- Electric and Electronic Test and Measuring Equipment
- Electric Motors & Frequency Inverters, Motor Drives
- Electric Switchgear and Equipment for Electric Power Distribution
- Electronic and Opto-Electronic Components
- Gears, Mechanical Drive Systems
- Lighting Equipment, Electronic Power and Engineering Services
- Measuring and Test Systems
- Transformers, Accumulators, Uninterruptable Power Supplies and Generators
- Grid Management
- Power Quality Monitoring
- Integration of Decentralized Generation

Hydraulic & Pneumatic

- Hydraulics and Pneumatics Services
- Lubrication Systems, Components & Oils for Machinery and Hydraulics
- Oil Hydraulic System and Components
- Pneumatic Systems and Components
- Water Hydraulic Systems and Components
- Compressed Air and Vacuum Technology, Compressors

CeMAT EURASIA

- Move & Lift
- Store & Load
- Manage & Service
- CeMAT
- Pick & Pack
- Logistic IT

Anatolian Buyer Delegations

75 busses

Anatolian delegation groups from 30 cities such as Adana, Afyon, Ankara, Bursa, Denizli, Eskişehir, Konya.

Visitors

69,751

from 94 countries

Exhibitors

1,556

From 25 countries

Net Exhibition Area

28,931 sqm

Meeting spot for the manufacturing industry

Visiting Hours: 16-18 March 10:00-18:30 (Thursday - Saturday)
19 March 10:00-17:30 (Sunday)

TÜYAP Fair Convention and Congress Center İstanbul / Turkey

Shuttle Bus Hours (Free of Charge)

Service will be available between 16th - 19th of March
(On Sunday, last shuttle will departure at 17:30)

From Taksim Atatürk Cultural Center

Departure: 09:00, 10:00, 11:00, 13:00 **Return:** 16:00, 17:00, 18:30

From Bakırköy Sea Bus Port

Departure: 11:00, 13:00 **Return:** 16:00, 18:30

By Metrobus Line

You can come to TÜYAP Fair Convention and Congress Center directly from Mecidiyeköy and Söğütöçe by using Metrobus Line.

By Car

You can come to TÜYAP Fair Convention and Congress Center from TEM Highway exit Büyükçekmece-Hadımköy or from E-5 Highway exit Beylikdüzü-Gürpınar.

* Hannover Fairs Turkey Fuarçılık A.Ş. has rights to change shuttle schedule and organize extra shuttles without pre-announcement.
