VIP EVENT

Slovenia Design Showroom Milano 2016 at Via A. Saffi 9 will be open from 19 May to 17 June. It will present our passion for material, technology and form. The products shown in Milan will include furniture, wooden products and interior design products, of which many had been put on view at 100% Design London, 2015 exhibition. We want to deliver performance, functionality and sustainability through integration of design and innovation. To celebrate our presence in Milan, we are delighted to invite you to our exclusive inauguration party on 19 May 2016 at Via A. Saffi 9.

Ministry of Economic Development and Technology

Jože Prikeržnik

Director of the Directorate of wooden science and technology
