only if the event is organised in the usual form

* limited number of packages

Note:

The uncertain epidemiological situation may affect the final implementation of the event. The organizers hope for good epidemiological conditions so that the event can be carried out live, but we do not rule out the aggravation of the situation resulting in a hybrid or on-line implementation of the event. Thus, depending on the situation, we also reserve the right to change the offer for sponsors. Accordingly, in the case of a purely on-line version of the event, the price of sponsorship packages will be reduced by 20%.

If the event takes place live on-site, we will take into account all the required epidemiological restrictions and requirements, but we will have to reduce the number of exhibition places. Exhibition places and their positions shall be allocated on the "first come, first served" basis. The organizer reserves the right to change the positions of the exhibition places if in the interest of the safe implementation of the event.

For other arrangements to support the event please contact Ms Petra Prebil Bašin; T: +386 1 58 98 274, E: petra.prebil.basin@gzs.si.
