

# 1. What will you 'take-away' from today's workshop?

Curriculum Development Canvas

the methodology, the discussions and mentimeter

personal development, achieving goals

The opportunity to know other people's opinions and ideas

need for communication, collaboration and understanding each other

Importance of self awareness, reflection,...

## 2. Which technique will you try first?

work in teams

I am not clear at the moment

I like the egg exercise (team building but also leadership, and communication)

Curriculum development canvas
