WholeEUGrain project

AIM:

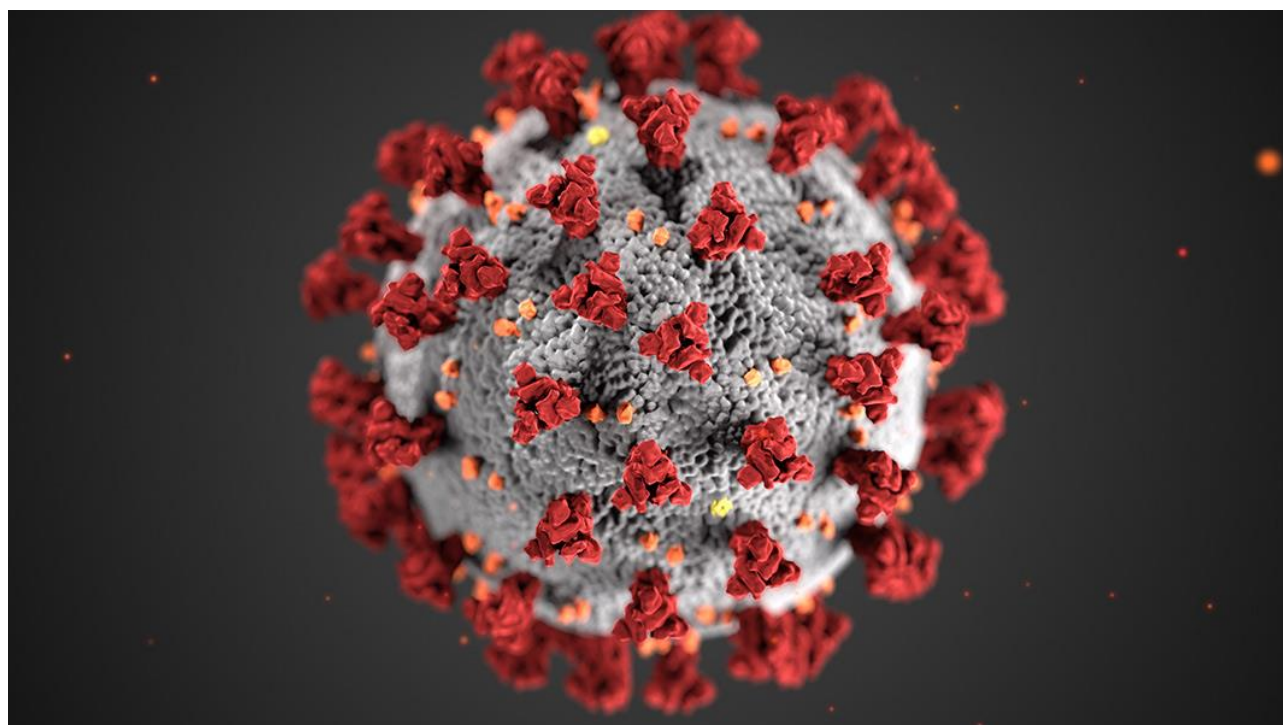

To transfer Danish experiences with a national Whole Grain Partnership to other European countries.

OBJECTIVE:

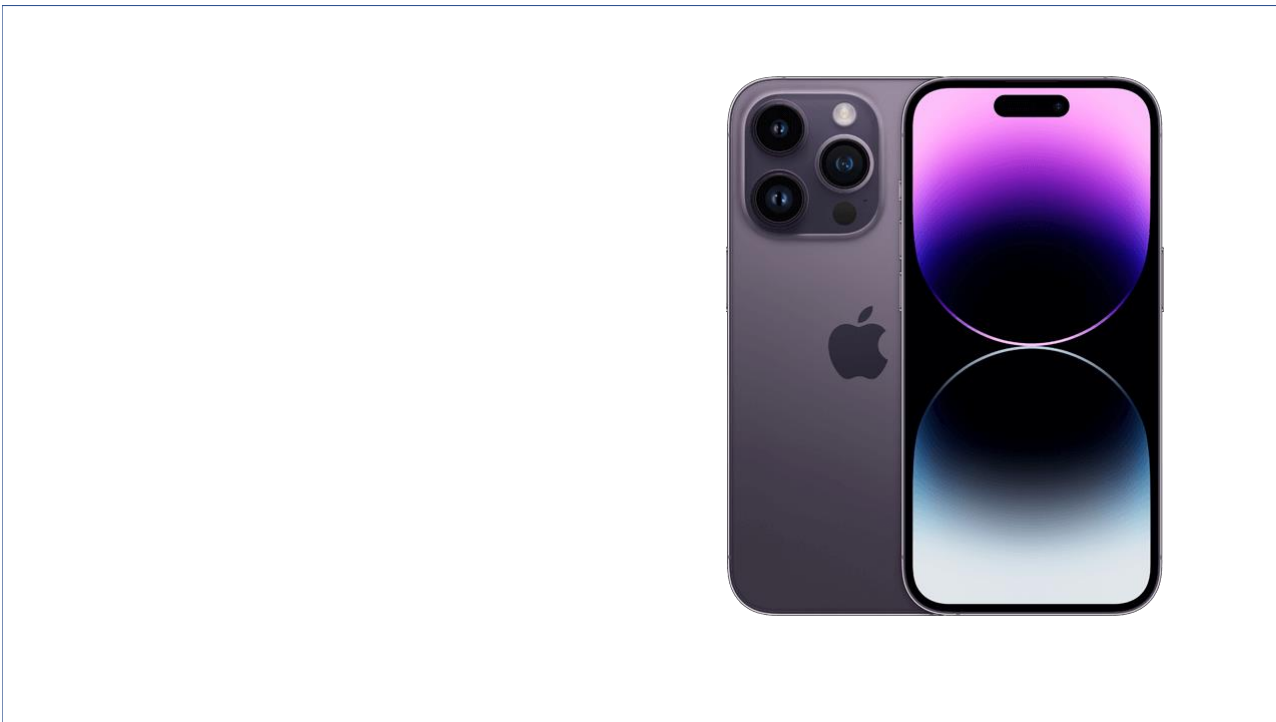

To support EU Member States in their efforts to implement Whole Grain Partnerships

5

6

7

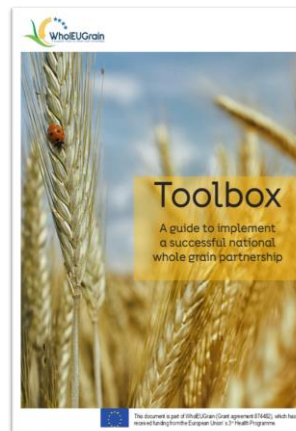

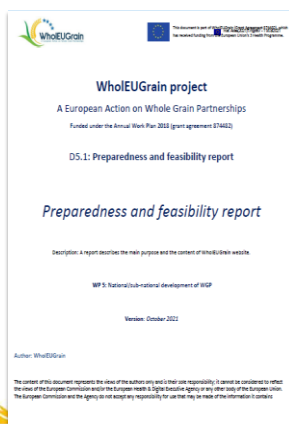

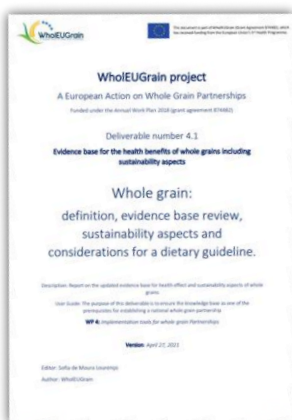

What we have achieved

- products and results

8

Tailored Transfer materials

9

A guideline, compiling the essence of all the tailored transfer materials, with country-based descriptions and recommendations on the steps needed to establish a whole grain partnership.

Find the guideline on the project website
