# European Institute of Innovation and Technology

Our vision is to become the leading European initiative that empowers innovators and entrepreneurs to develop world-class solutions to societal challenges, and create growth and skilled jobs.

- 1<sup>st</sup> EU initiative bringing together the three sides of the **'knowledge triangle'**: business (companies and SMEs), education institutions and research centres.
- aim to increase the **cooperation and integration** between higher education, business and research to facilitate the transition from:

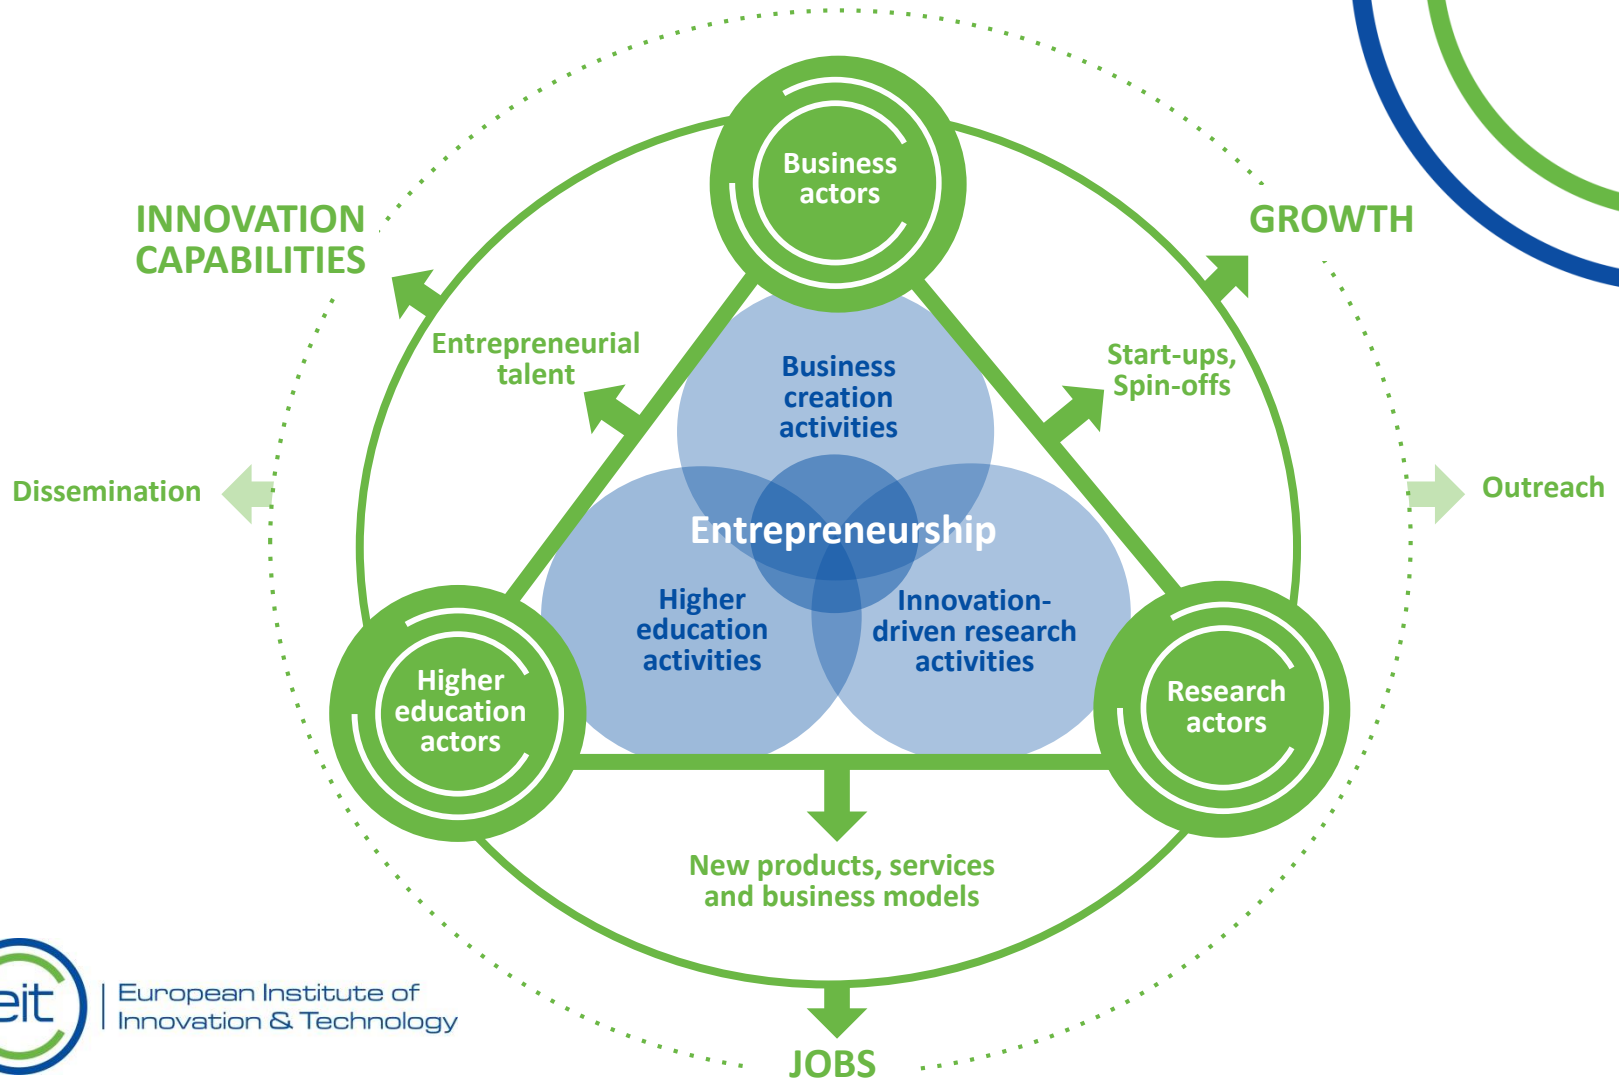

student to  
entrepreneur

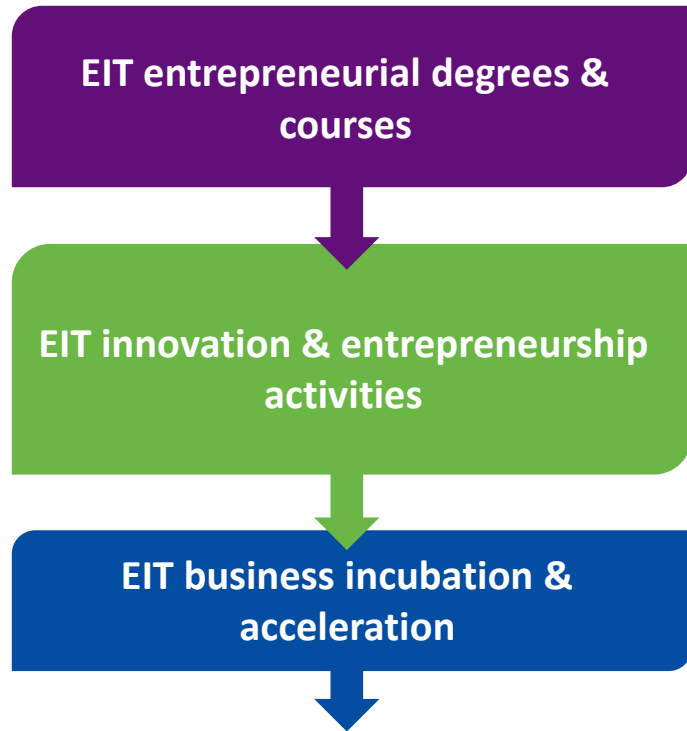

idea to product

lab to customer
