## 1 Odprti razpisi

### 1.1 Horizon Europe/Obzorje Evropa

#### 1.1.1 "Hop-on" shema za slovenske organizacije

Na spletni strani MGRT je objavljena novica o razpisu Obzorja Evropa, ki omogoča sofinanciranje priključitve organizacij iz Slovenije (in širše EU13) k že potekajočim izbranim projektom drugega in tretjega stebra, kamor sodijo tudi vsi projekti Grozda 4 za digitalno področje, industrijo in vesolje. Trenutno je zaradi časovnice zaključevanja prvih razpisov Grozda 4 in ocenjevanja prijav ter podpisovanja projektnih pogodb še razmeroma zelo malo takšnih projektov, a se bo njihovo število v tem letu povečalo in se boste morda lahko lažje odzvali na drugi rok tega razpisa, ki bo novembra. Javni razpis se bo v letu 2022 izvedel z več odpiranji, prvo odpiranje bo 20. 4. 2022, naslednje odpiranje bo 10. 11. 2022. Za vsa odpiranja v letu 2022 namenjenih 40 milijonov evrov, indikativno za prvo odpiranje 20 milijonov evrov. [Več na tej [povezavi](#)]
