

IZZI Platform User Guide

Digital4Sustainability Project – Step-by-Step Tutorial for Learners / Students

This guide provides comprehensive, step-by-step written instructions for navigating the IZZI platform under the *Digital4Sustainability* project. It covers account registration for both teachers and learners/students, class creation, and the process for learners/students to join their assigned pilot groups.

Video I: Learner/Student/Pilot participant Registration

Before entering any assigned class, every student or learner must set up their own account.
