

Preparations for Brexit

Revenue Commissioners – Preparing for Change

Approach and Working Assumptions

Common Approach

- Facilitate legitimate trade
- Exploit the facilitations legislated for in the Union Customs Code
- Conduct interventions at authorised traders premises provided no additional agricultural requirements

Working Assumptions

- UK will be staying in Common Transit Convention/NCTS – now confirmed.
- UK will be out of the Safety and Security zone

What we have done to date

- Examination of impact of Brexit
- Whole of Government Approach
- Infrastructure
- Recruitment of staff
- IT developments
- Trader Engagement
