BOSNIA AND HERZEGOVINA

Gradiška:

- *On BiH exit, waiting time is 30 minutes, 5 trucks in the waiting line.*
- *On BiH entry, waiting time is 1 hour, 10 trucks in the waiting line.*
- *The customs office Gradiška is working 24 hours.*
- *After having customs procedures finished, the drivers continue their way inland without having to form convoys*

Rača:

- *5 trucks in the waiting line on BiH entry, without significant delays.*
- *No traffic congestion on BiH exit.*
- *The Customs Administration has introduced 24-hour working time and the inspection services have extended their working hours up to late into the night.*
- *Still without escort for transit.*

On March 24th 2020, the BiH Council of Ministers decided that transit traffic between BiH and the Republic of Serbia should take place only through the border crossing Rača in BiH, that is, Sremska Rača in Serbia.

The Customs Administration has informed all customs offices that the goods transiting through the territory of BiH to other countries are sent exclusively to the Sremska Rača crossing, in order to avoid unnecessary return of carriers from other crossings.

On Vipavski freeway, between Nanos and Ajdovščina, the traffic is closed for refrigerator trucks and tarp trucks up to 8 tons. This is a first-degree restriction.

On the Ljubljana-Karavanke highway, at the tunnel Karavnke there is a traffic congestion due to trucks inspection on Austrian side. The waiting line is 1.5 km long. This inspection will be carried out until further notice.

As of Friday, Slovakia has introduced some new measures in its border management that includes border crossings with AUT, PL, CZ, HUN.

There were long lines of vehicles in Slovakia because of long checks of cargo and passengers. At the time, a decision was made to close the traffic for freight vehicles above 7.5 tons on border crossings with PL, CZ, HUN and AT. However, the traffic is now open for freight vehicles, although it might be occasionally brought to a halt.

You can follow the situation development in real time on the following link:

The transport of livestock and perishable goods runs smoothly, as well as for vehicles that are using the so-called »Green lanes«

Trucks going for unloading to Slovakia are given free passage.

As of Friday, HUN has changed its border management with regards to freight vehicles.

Freight vehicle drivers are subjected to health checks on entry to HUN and if they are not positive for COVID-19 then:

- 1. Drivers who are Hungarian citizen go into mandatory 14-day quarantine;*
- 2. Drivers who are not Hungarian citizens must leave HUN within 24 hours upon unloading;*
- 3. Trucks transiting through HUNG need to exit the country as quickly as possible using the shortest routes;*
- 4. All drivers entering HUN must wear protective masks and gloves.*
- 5. If a driver is suspected to have Covid 19 on entry to HUN, he will not be granted passage, whereas Hungarian drivers would be taken to a quarantine location.*
