FOCUS

The Slovenian agriculture and food industry is based on sustainability and committed to development of innovative niche products. They line up from delicacy bread and bread-like frozen products to unique chocolate flavour combinations, pumpkin seed ice cream or delicious craft beers. **The Chamber of Agricultural and Food Enterprises** represents those champions. One of them is introduced below.

DON DON BERLINER

A Slovenian berliner? Yes! They come in various colours and flavors, always freshly prepared, juicy and rich in taste. Conveniently frozen at the end of production process, the quality and freshness are unbeatable even in the coffee shop displays abroad. And this producer offers so much [more ...](#)
