

## Take The Chance To Reach New Trade Partners – Buyers Missions

You can take the chance to reach new trade partners by participating in **buyers mission programs**. Within these programs, foreign visitors participate in **B2B meetings** in Turkey **without any accommodation expenses**. Buyers mission programs are organized in a wide range of sectors from agriculture to machinery under the coordination of the Ministry of Trade.

Concerning the program, we would like to take attention for the followings:

- Buyer Mission Programs roughly include general briefings, **bilateral meetings** with manufacturers and visits to the fair stands or/and production facilities.
- Participating companies should be interested in **importing from Turkey**.
- It is required that, company representatives are in positions of decision making and preferably communicate in English (or French/German)
- In case of decision to participate to the program we kindly request from the participant **to inform us about products of their interest** and, to follow the program schedule and avoid decision changes just before the event as much as possible.
- The companies who have **representative offices** in Turkey or have **already participated to the same event** in organization of the Ministry of Trade **are not encouraged to take part**.

To be able to apply to the buying mission program please kindly fill out the Application Form and return it to [ljubljana@ticaret.gov.tr](mailto:ljubljana@ticaret.gov.tr) by the given deadlines.
