

PREDLOG ENOTNEGA PODPISA PREDSTAVNIKOV PAPIRNE IN PAPIRNO PREDELOVALNE INDUSTRIJE

Natisnite ta dokument brez slabe vesti!

Pomembno je, da **papir po uporabi ločeno odložite** in omogočite njegovo **recikliranje**.

Papir je **biološko razgradljiv, obnovljiv in mogoče ga je reciklirati**; je **trajnosten** proizvod narejen iz lesa, ostalih naravnih materialov ter v veliki meri iz starega papirja.

Papir je naraven medij za shranjevanje vaših idej.

Please don't feel guilty: It's OK to print this document!

*It is just important to **collect waste paper separately and recycle it**.*

*Paper is a **biodegradable, renewable and recyclable**; it is a **sustainable** product made from trees, other natural materials and to a large extent from recovered paper.*

Paper is the natural support of your ideas.
