

COMPLIMENTARY AIR TICKETS TO 5-7 IT DELEGATES FROM SLOVENIA

Dear Sir,
Greetings from ESC, India!

We are pleased to inform that as in previous years, the **Electronics and Computer Software Export Promotion Council (ESC)** will be organizing the **INDIA IT SHOW (INDIASOFT)** in its series of its annual INDIASOFT (IT event), during 28th & 29th

November 2013 at Mumbai, Maharashtra, India. More details can be accessed from the INDIASOFT 2013 website < www.indiasoft.org > which will be updated shortly. INDIASOFT - an annual global IT event - has already become a benchmark for showcasing and seeking India's tremendous potentials in IT sector. **INDIASOFT 2013** would sharply focus on Software & IT Enabled Services and many more innovations taking place in India.

Being the only event of its kind in India, **INDIA IT SHOW** is sponsored by **Ministry of Commerce & Industry, Government of India.**

INDIA IT SHOW would sharply focus on the huge **EU** IT market. It would, therefore, be opportune that an IT business delegation from **SLOVENIA** participates in **INDIASOFT 2013**. This would give the delegation an excellent opportunity to interact with several domestic and overseas IT companies.

Under the Programme of the Department of Commerce, Government of India, the Council would provide a complimentary air ticket (to and fro --- economy class) to select software companies/end-users/IT Consultants provided those selected companies meet the following criteria :

- ⇒ **The company should not have availed of this facility in earlier INDIASOFT events**
- ⇒ **The company should be genuine software importers or companies seeking joint ventures / tie-ups and / or outsourcing opportunities with Indian companies.**

The visiting delegate will only have to make his/her own stay arrangements for which our travel agent can provide assistance.

We request you to kindly identify at least 5-7 potential software companies/ end user clients for **INDIA IT SHOW** with complete details (according to the attached proforma). The INDIASOFT Screening Committee will select the best companies from your proposed proformas for inviting them.

I am attaching a proforma, which needs to be filled in by the company's representative, who will be visiting **INDIA IT SHOW** . We would request you to kindly email to us the duly filled proforma for nomination latest by **30th July, 2013.** The early confirmations will help us to organize business meetings in a professional way.

We are confident that with your support and cooperation, we would be able to make **INDIA IT SHOW** a grand success.

We look forward to receiving your reply at the earliest.

With warm regards,

D K SAREEN

Executive Director

Electronics and Computer Software

Export Promotion Council (ESC)
