- 8- IT consulting.
- 9- Due diligence

We want to pass on our experiences that, we have gained in the last couple of years, to other Slovenian companies and we want to fulfil their needs for information.

After getting the information we pass on, the Slovenian companies, that want to make some investments in Turkey, will have every information they need and they will decide on their investments more easily.

Because of the service relation we have, especially with Slovenian companies, our explanations, about the requests of Slovenian companies, will be specially for your country.

We want to have the informative meeting in Lubijana/Slovenia, at the end of May or in the beginning of June 2014. We would kindly ask from Chamber of Commerce or another institution, that operate for both countries, to help us to have the necessary organization.

The informative meeting about the topics, that are listed below, will take approximately 2 hours.

After our presentation, the questions asked by the attendants will be answered.

We think that, half a day will be enough for the meeting period.

GENERAL TOPICS OF THE INFORMATIVE MEETING
