How to get İzmit/Kocaeli

Transfers from İstanbul to İzmit/Kocaeli will not be provided by us. Only transportation from the hotel to meeting points like TOSB, Industry Fair, Company Premises will be provided by us.

Istanbul has 2 airports, one /Atatürk Airport is on the European side and the other/Sabiha Gökçen Airport is on the Asian (Anatolian) side of Istanbul.

The Asian side of Istanbul is more close to us. So we recommend your clients to fly to Sabiha Gökçen Airport (SAW) which is just 70 km away from İzmit/Kocaeli. Coach company Akmis Seyahat provides transportation between SAW and İzmit each hour, from 7.00 am to 1.30 am. Akmis Seyahat coaches are available in front of the airport exit and bus trip to get İzmit takes 50 minutes only. One way ticket costs 20 Turkish Liras.

If your clients prefer to fly to Atatürk Airport, first they have to get to Esenler Bus Station (Esenler Otogar) from the airport by Subway/Metro. After arriving Esenler they can get on a bus to İzmit. Coach companies, Efe Tur and İzmit Seyahat provide transportation between Istanbul and İzmit in each half an hour from, from 6.30 am to 11.00 pm. Bus trip to get İzmit takes 2 hours or a bit longer depending on traffic. One way ticket costs 17 Turkish Liras.

1 Euro is approximately 2,5102 Turkish Lira at the moment. Exchange offices can be found easily at the airport.
